Understanding the SNHU Online Academic Calendar: An Overview

The SNHU online academic calendar is a crucial tool that guides students through the academic year, outlining important dates such as semester start and end dates, registration periods, holidays, and assessment deadlines. Unlike traditional campus calendars, SNHU's online calendar is tailored to support remote learning, offering flexibility while maintaining clear academic expectations. SNHU operates on multiple terms throughout the year, including: - 7-week terms for undergraduate courses - 8-week terms for graduate programs - Special sessions such as summer terms, winter break, and intersession periods. This structure allows students to enroll in multiple courses in a year, facilitating accelerated learning or part-time study.

Key Features of the SNHU Online Academic Calendar

Multiple Terms and Flexibility

SNHU's calendar is designed around a modular system, with overlapping terms that provide students the freedom to start or finish courses at various points during the year. The key features include: - Rolling admissions: Enroll at multiple points, not limited to traditional semester start dates. - Multiple start dates per year: Students can begin courses in January, March, May, July, September, or November. - 7-week undergraduate terms: These shorter sessions enable students to complete courses quickly and efficiently. - 8-week graduate terms: Designed to accommodate working professionals and adult learners. Enrolling and Planning Coursework

The multiple start dates and modular terms require students to stay proactive with planning. The calendar allows:

- Year-round enrollment: Eliminating traditional “semester” constraints.
- Accelerated pathways: Completing degrees faster by taking courses in back-to-back terms.
- Part-time flexibility: Spreading coursework over longer periods for working adults.

However, this flexibility demands disciplined planning. Students must be vigilant about registration deadlines and assessment dates to avoid missing critical milestones.

Assessment Scheduling and Deadlines

SNHU’s online calendar clearly marks key assessment periods. Since online courses often rely on assignments, quizzes, and exams, understanding these dates helps students manage workload effectively. The final exam periods, often scheduled during the last week of each term, require students to prepare in advance.

- Continuous enrollment options reduce waiting periods.
