Unlike editable document formats, PDFs are designed to remain stable. Fonts, images, spacing, and page layouts stay consistent whether viewed on Windows, macOS, Linux, Android, or iOS. This reliability makes PDF an ideal choice for distributing structured content such as manuals, guides, ebooks, research papers, and instructional resources like Studying Together Mark Finley.

Why PDF is widely used for digital content

The popularity of PDF files is driven by their universal compatibility and ease of sharing. Most devices come with built-in PDF viewers, eliminating the need for specialized software. Optimizing PDF readability for better user experience
