The Colonial Period and Enlightenment Influences

The roots of American political thought are deeply intertwined with European Enlightenment ideas. Thinkers such as John Locke, Montesquieu, and Rousseau profoundly influenced the colonists' notions of government and individual rights. Key ideas from this era include: - Natural Rights: Locke's assertion that individuals possess inherent rights to life, liberty, and property. - Social Contract: The belief that governments derive legitimacy from the consent of the governed. - Separation of Powers: Montesquieu's idea that dividing government into distinct branches prevents tyranny. - Popular Sovereignty: The concept that ultimate authority resides with the people.
