brief notes or outlines based on Words Their Way Teacher Resource Guide content enables learners to process information actively rather than passively consuming it. These summaries can later serve as quick revision materials before exams or discussions.

Regularly reviewing highlighted sections is another essential study practice. Highlights draw attention to important ideas, definitions, or arguments that require reinforcement. Periodic review sessions strengthen memory retention and help identify areas that may need further clarification. Digital highlights remain accessible and searchable, making review sessions more efficient than flipping through physical pages.

study priorities.

Digital annotation tools further support active engagement. Notes, comments, and highlights can be added directly to the document, keeping insights closely connected to the source material. These annotations can be edited, expanded, or reorganized as understanding evolves over time.

Some readers also support linking annotations to external notes or documents. This integration allows learners to build a comprehensive study system that combines Words Their Way Teacher Resource Guide with supplementary resources such as lecture notes, articles, or multimedia content.
