Origins and History of Dear Zoo

"Dear Zoo Dear Zoo Friends" is more than just a phrase; it encapsulates the warm relationship between the book's publisher, author, and its young audience. The story was originally written by Rod Campbell in 1982 and has since become an iconic piece of children's literature. The book's enduring popularity stems from its interactive nature and appealing illustrations.

Rod Campbell's Dear Zoo was conceived as a lift-the-flap book, encouraging active participation from children. The initial idea was to create a story that combined storytelling with tactile engagement, fostering both language development and fine motor skills. Its simplicity and repetitive structure make it accessible for preschoolers, helping them anticipate and participate in the story.

The Structure and Content of Dear Zoo

The Narrative Framework
