Rooted in the fight against centuries-old caste-based discrimination and social exclusion, this movement has evolved over decades, shaping policies, inspiring leaders, and transforming societal perceptions. As an expert review, this article delves into the origins,

evolution, key leaders, and the ongoing impact of the Dalit movement, providing a detailed understanding of its profound influence on Indian society.

Origins and Historical Context of the Dalit Movement

Historical Roots of Caste Discrimination

India's social fabric has historically been structured around a rigid caste hierarchy, with Dalits—formerly referred to as "untouchables"—occupying the lowest rung.

Discriminatory practices, social ostracism, and economic marginalization have persisted for centuries, often justified by religious and societal norms. The colonial period, while introducing some avenues for social mobility, did little to dismantle these entrenched hierarchies, often perpetuating inequalities further.

Early Movements and Socio-Political Awakening

The 19th and early 20th centuries marked the initial phases of organized Dalit activism. Key events include: - Periyar E.V. Ramasamy: Advocated for social equality and rationalist ideals, challenging caste prejudices. - Dr. B.R. Ambedkar: Perhaps the most influential figure in Dalit

history, Ambedkar's efforts in articulating Dalit grievances and fighting for constitutional rights laid the groundwork for modern activism. The early Dalit movements primarily aimed at social reform, literacy, and access to education, with limited political engagement initially.

Evolution of the Dalit Movement

Post-Independence Developments

India's independence in 1947 was a watershed moment, bringing constitutional promises of equality. However, Dalit socio-economic conditions remained dire. The movement gained momentum through:

- Legal reforms: Implementation of affirmative action policies like reservations in education and employment.
- Political mobilization: Dalit leaders began to form parties and alliances to articulate their demands more effectively.

Major Phases of the Movement

The movement can be broadly categorized into distinct phases:

1. Social Reform and Awareness (1940s-1960s): Focused on dismantling caste barriers, promoting education, and religious conversions (notably to Buddhism).
2. Political Assertion (1970s-1990s): Formation of Dalit parties like the Bahujan Samaj Party (BSP), and increased political representation.
3. Identity and Empowerment (2000s-present): Emphasis on asserting

Dalit identity, combating caste-based violence, and ensuring socio-economic justice.
