Instead of reading for several hours at once, divide your time into shorter sessions with regular breaks. This approach helps maintain focus, improves understanding, and prevents mental exhaustion. Using techniques such as the Pomodoro method—reading for 25–30 minutes followed by a short break—can be particularly effective.

Using bookmarks is another simple yet powerful habit. Most digital reading platforms allow you to bookmark chapters, sections, or specific pages. Bookmarks make it easy to return to important parts of *A Murder Is Announced Play Script* without scrolling or searching manually. Adding notes in your own words helps reinforce understanding and creates a personalized study guide. Over time, these highlights and annotations turn *A Murder Is Announced Play Script* into an interactive learning resource rather than passive reading material.

Adjusting screen settings plays a crucial role in reading comfort. Most reading apps allow you to customize font size, font style, line spacing, and background color. Increasing font size and line spacing can reduce eye strain, while using dark mode or sepia backgrounds may improve readability in low-light environments. Adjusting screen brightness to match ambient lighting further enhances comfort and protects eye health during long reading sessions.

Creating a focused reading environment

A distraction-free environment improves reading efficiency and enjoyment. When reading *A Murder Is Announced* Play Script, try to minimize notifications from messaging apps or social media. Many devices offer “focus mode” or “do not disturb” settings that help maintain concentration. Choosing a quiet, comfortable location with proper lighting also contributes to a better reading experience.

For study or professional reading, setting clear goals before starting can be beneficial. Decide whether you are reading for general understanding, detailed analysis, or quick reference. Clear objectives help guide how deeply you engage with the content and which sections deserve closer attention.
