

Ask And It Is Given

Esther And Jerry Hicks

Ask and It Is Given Esther and Jerry Hicks: Unlocking the Secrets to Abundant Living When exploring the profound teachings of the law of attraction and personal development, the phrase "*Ask and It Is Given Esther and Jerry Hicks*" often emerges as a cornerstone. Esther and Jerry Hicks have dedicated decades to sharing insights that empower individuals to manifest their desires and live fulfilling lives. Their groundbreaking book, *Ask and It Is Given*, offers practical tools and philosophies rooted in the teachings of Abraham—a non-physical consciousness channeled through Esther Hicks. This article delves into the core concepts of *Ask and It Is Given*, the role of Esther and Jerry Hicks in popularizing these teachings, and how you can apply their principles to enhance your life.

Understanding the Core Principles of Ask and It Is Given

The essence of *Ask and It Is Given* is rooted in the law of attraction—the idea that like attracts like, and our thoughts and feelings shape our reality. Esther and Jerry Hicks emphasize that by aligning our vibrational state with our desires, we can manifest whatever we want.

The Power of Asking

The first step in manifestation is clarity and intentional asking. According to the Hicks teachings:

1. Be clear about what you want.
2. Focus your thoughts and feelings on your desire.
3. Believe that you can receive it.

Esther often describes asking as a natural, effortless process. When you genuinely want something, your inner being (or higher self) responds by aligning your vibration with that desire.

The Importance of Receiving

While asking is vital, receiving is equally crucial. The Hicks believe that many people struggle with allowing their desires to manifest because they block the flow of abundance through negative thoughts or resistance.

1. Trust that your desire is on its way.
2. Maintain a positive expectation.
3. Practice feeling good and being in a receptive state.

The Law of Attraction in Action

The law of attraction operates continuously. When you focus on what you want, your vibrational energy attracts similar energies into your life. The Hicks teach that:

1. Your thoughts are like magnets.
2. Your feelings are the indicators of your vibrational alignment.
3. Consistent positive focus accelerates manifestation.

The Teachings of Esther and Jerry Hicks: Who Are They?

Esther and Jerry Hicks have played pivotal roles in bringing the law of attraction and manifestation principles into mainstream consciousness. Their teachings are unique because they involve channeling a collective consciousness known as Abraham.

Esther and Jerry Hicks' Background

Esther Hicks is a spiritual teacher and motivational speaker who, along with her late husband Jerry, began sharing teachings about the law of attraction in the 1980s. After Jerry's passing, Esther continued to channel Abraham, a non-physical group of entities offering spiritual guidance.

What Is Abraham?

Abraham is a collective consciousness that communicates through Esther during trance states. The messages delivered focus on:

1. Understanding vibrational energy
2. Aligning with your desires
3. Living a joyful, fulfilled life

These teachings form the foundation of the Ask and It Is Given methodology.

Key Books and Resources

Beyond Ask and It Is Given, Esther and Jerry Hicks authored several influential works, including:

1. *The Law of Attraction*
2. *Money and the Law of Attraction*
3. *The Vortex*
4. *The Astonishing Power of Emotions*

Their workshops, seminars, and recordings continue to inspire millions worldwide.

Applying Ask and It Is Given Principles in Daily Life

Understanding the teachings is one thing; applying them effectively is where transformation occurs. Here are practical steps to incorporate *Ask and It Is Given* into your routine.

1. Clarify Your Desires

To manifest effectively, you need to know what you want.

1. Write down your desires clearly and specifically.
2. Visualize your goals regularly to reinforce clarity.

2. Cultivate Positive Emotions

Your feelings are the compass indicating your vibrational alignment.

1. Practice gratitude daily.
2. Engage in activities that make you feel good.
3. Use affirmations to boost your mood.

3. Practice Allowing and Receptivity

Letting go of resistance is key to manifestation.

1. Release doubts and negative beliefs.
2. Trust that the universe is always working in your favor.
3. Stay open to receiving unexpected blessings.

4. Use the 17-Second Rule

According to Hicks, focusing on a desire for 17 seconds or more creates a vibrational momentum that attracts it into your life.

1. Pick a desire and think about it for at least 17 seconds.
2. Build positive momentum by focusing on what you want.

5. Recognize and Shift Your Emotional Vibration

Your emotions are powerful indicators.

1. If you feel negative emotions, acknowledge them and deliberately shift your focus.
2. Use techniques like meditation, deep breathing, or visualization to elevate your mood.

Common Questions About Ask and It Is Given

Many people new to Esther and Jerry Hicks' teachings have questions about how to implement the concepts effectively.

Can I Manifest Anything I Want?

Yes, the Hicks teach that you can manifest anything that is in harmony with your vibrational frequency. However, clarity and emotional alignment are vital.

What If My Desires Don't Manifest Quickly?

Patience and trust are essential. Sometimes, resistance or limiting beliefs delay manifestation. Focus on feeling good and allowing the process to unfold naturally.

How Do I Deal With Negative Thoughts?

Acknowledge negative thoughts without judgment and gently redirect your focus to positive aspects or desires.

Is It Possible to Manifest Money Fast?

Yes, by aligning your vibration with abundance, practicing gratitude, and feeling worthy of wealth, you can attract money quickly.

Conclusion: Embracing the Teachings of Ask and It Is Given

The teachings of Esther and Jerry Hicks, encapsulated in Ask and It Is Given, offer a powerful framework for creating a life of abundance, joy, and fulfillment. By understanding the importance

of asking clearly, cultivating positive feelings, and allowing your desires to manifest naturally, you can harness the law of attraction to transform your reality. Remember, the journey begins with your thoughts and feelings. As you practice these principles daily, you'll find yourself more aligned with your desires and more adept at manifesting the life you truly want. The universe is always listening—ask confidently, believe wholeheartedly, and watch as your dreams become your reality.

Ask and It Is Given Esther and Jerry Hicks: An In-Depth Investigation into the Law of Attraction and Its Promoters

Introduction

In the realm of self-help and spiritual development, few works have garnered as much attention and controversy as *Ask and It Is Given* by Esther and Jerry Hicks. Published in 2004, this book has become a cornerstone for proponents of the Law of Attraction—a concept suggesting that positive or negative thoughts can bring corresponding experiences into one's life. While many readers report transformative benefits, critics question the origins, authenticity, and scientific validity of the teachings. This article aims to provide an in-depth examination of *Ask and It Is Given*, exploring its core principles, the background of Esther and Jerry Hicks, the philosophical underpinnings, and the ongoing debates surrounding its claims.

The Origins of Esther and Jerry Hicks

Who Are Esther and Jerry Hicks?

Esther and Jerry Hicks are the primary figures behind the teachings encapsulated in *Ask and It Is Given*. Esther Hicks claims to channel a group of non-physical entities known as "Abraham," who communicate spiritual wisdom through her. Jerry Hicks, her husband, was a businessman and speaker who collaborated with

Esther in disseminating these teachings.

Esther Hicks describes her experiences as a channel for "Abraham," emphasizing that her role is to convey the non-physical entities' messages to human audiences. The couple's work gained popularity through seminars, books, and recordings, positioning themselves as modern-day spiritual guides.

The Channeling Phenomenon

Channeling—a practice where individuals claim to communicate with spirits or non-physical entities—has a long history across cultures. Esther Hicks' channeling of Abraham is part of this tradition, but it has also been subject to skepticism and criticism. Proponents argue that channeling provides access to higher wisdom, while skeptics view it as a psychological phenomenon or even deception.

Core Principles of Ask and It Is Given

The Law of Attraction Explained

At the heart of Ask and It Is Given lies the Law of Attraction, which posits that "like attracts like." According to this principle, thoughts are like magnets that draw similar energies and circumstances into one's life. Positive thoughts attract positive outcomes, whereas negative thoughts attract undesirable situations.

The Process of Manifestation

The book emphasizes that individuals are inherently capable of manifesting their desires by aligning their thoughts, feelings, and beliefs with their intentions. The authors suggest a step-by-step process:

1. Clarify your desires: Be specific about what you want.
2. Focus on positive thoughts: Maintain a mindset of abundance and gratitude.

3. Feel good: Cultivate emotions that resonate with your desires.
4. Allow the manifestation: Trust that the universe will deliver.

The Role of Emotional Guidance

A significant aspect of the teachings involves emotional guidance as an indicator of alignment. The authors introduce a "Vortex" concept—a metaphorical space where desires manifest when one is in harmony with their true self. Emotions such as joy, love, and excitement signal alignment, whereas frustration, anger, or despair indicate resistance.

Techniques and Practices

Ask and It Is Given offers practical exercises, including:

1. Visualization: Imagining oneself experiencing the desired outcome.
2. Affirmations: Repeating positive statements.
3. Meditation: Quieting the mind to enhance receptivity.
4. Listing positive aspects: Focusing on what is good in life to attract more abundance.

The Philosophical and Theological Foundations

The Non-Physical and the Infinite

The teachings often describe the universe as a non-physical, infinite consciousness from which all things emanate. The law operates constantly, regardless of individual awareness or belief.

The Creative Process

According to Abraham, human beings are creators with the power to shape their reality through their thoughts and feelings. The process involves aligning oneself with the "Vortex" where all desires are already present in potential.

The Power of Belief and Expectation

Belief systems are viewed as critical. Limiting beliefs act as resistance, preventing manifestations, while empowering beliefs facilitate manifestation.

Criticisms and Skepticism

Scientific Validity

Many critics argue that *Ask and It Is Given* offers no empirical evidence supporting its claims. The Law of Attraction, as presented, lacks scientific backing and is often dismissed as pseudoscience.

Psychological Perspectives

Psychologists suggest that the teachings may promote confirmation bias—where individuals focus on evidence that supports their desires and ignore contrary information. Some also argue that the emphasis on positive thinking can lead to victim-blaming, ignoring systemic issues.

Authenticity of Esther's Channeling

Skeptics question whether Esther Hicks genuinely channels non-physical entities or if her experiences are psychological phenomena, such as dissociation or subconscious processing.

Potential for Exploitation

Critics warn that some individuals may become financially or emotionally dependent on these teachings, leading to exploitation or disillusionment.

The Cultural Impact and Legacy

Popularity and Adoption

Despite criticisms, *Ask and It Is Given* has influenced countless individuals worldwide. Its teachings have permeated popular culture, inspiring workshops, coaching programs, and online communities dedicated to the Law of Attraction.

Influence on Modern Self-Help Movements

The book's emphasis on the power of thoughts aligns with broader self-help trends emphasizing mindfulness, positive psychology, and personal empowerment.

Notable Endorsements and Criticism

Prominent figures in the spiritual and self-help communities have praised the book for its clarity and motivational power. Conversely, skeptics have labeled it as pseudoscientific and potentially dangerous if taken as absolute truth.

Practical Considerations and Responsible Use

While many find value in the practices proposed by *Ask and It Is Given*, experts recommend approaching such teachings with discernment:

1. Use visualization and positive thinking as tools for motivation.
2. Maintain critical awareness of the lack of scientific validation.
3. Recognize the importance of practical action alongside spiritual practices.
4. Be cautious of financial commitments and overly optimistic promises.

Conclusion

Ask and It Is Given by Esther and Jerry Hicks stands as a pivotal work within the Law of Attraction movement, blending spiritual philosophy with practical exercises aimed at manifesting desires. Its teachings have inspired millions but have also sparked significant controversy regarding their scientific validity and

ethical implications.

Whether viewed as a profound spiritual guide or a pseudoscientific philosophy, the book's influence is undeniable. Its core message—that thoughts and feelings have the power to shape reality—resonates deeply with those seeking empowerment and purpose. However, critical analysis underscores the importance of balancing such teachings with rational inquiry and practical action.

As with any spiritual or self-help resource, readers are encouraged to explore *Ask and It Is Given* with an open mind, a discerning attitude, and an awareness of its limitations. In doing so, they can harness its motivational aspects while maintaining a grounded perspective on reality.

Reading habits rarely stay the same throughout a lifetime. They shift as responsibilities grow, environments change, and priorities evolve. What remains constant is the human need to understand, to

learn, and to make sense of information. The ability to download ***Ask And It Is Given Esther And Jerry Hicks*** fits naturally into this ongoing adjustment, offering a form of access that adapts rather than demands. Many people discover that learning works best when it feels available, not imposed. Downloadable books allow readers to approach knowledge on their own terms. There is no fixed schedule, no external pressure, and no requirement to move at a predetermined pace. A book can be opened briefly, closed without guilt, and reopened later with fresh perspective. This freedom changes how readers relate to content. Instead of rushing to finish, they linger. They pause at ideas that resonate and skip ahead when curiosity leads elsewhere. ***Ask And It Is Given Esther And Jerry Hicks*** becomes a space for exploration rather than a task to complete. Time, often considered the biggest obstacle to learning, becomes more manageable in this format. Small moments accumulate. A few paragraphs during a break, a short section before sleep, or a quick reference during work gradually build understanding. Learning becomes woven into daily routines instead of competing with them. Portability reinforces this integration. Carrying entire libraries in one place removes the need to choose a single book for a single moment. Readers move fluidly between subjects, returning to familiar ideas or venturing into new territory without hesitation. This flexibility encourages intellectual curiosity rather than limiting it. PDF files support this approach through consistency. Pages remain structured, visuals stay aligned, and references stay intact. Readers do not need to adjust to changing layouts or formats. The material feels stable, allowing attention to remain on meaning and interpretation. Interaction deepens engagement. Highlighted passages capture moments of clarity. Notes preserve personal reflections. Bookmarks act as gentle reminders rather than final stops. Over time, ***Ask And It Is Given Esther And Jerry Hicks*** becomes layered with the reader's thoughts, creating a dialogue between text and experience. Search

tools quietly enhance confidence. Knowing that information can be found quickly encourages readers to return often. They revisit sections, clarify doubts, and reinforce understanding without frustration. This ease transforms books into dependable companions rather than static resources. Affordability also influences how freely people explore. When access is affordable or free through legal platforms, curiosity carries less risk. Readers experiment with unfamiliar topics, knowing that exploration does not require significant commitment. This openness often leads to unexpected insights. Libraries such as Project Gutenberg, Open Library, and Internet Archive provide access to a wide range of works that continue to shape learning worldwide. Academic repositories complement these collections by offering research and analysis that deepen understanding. Together, they form a network that supports independent growth. Choosing legitimate sources matters. Trusted platforms ensure accuracy, safety, and respect for intellectual contributions. Responsible access helps preserve the availability of knowledge while protecting users from unreliable content. In professional contexts, downloadable books become tools for reflection and reference. They support decision-making, problem-solving, and skill development. Professionals consult them quietly, returning when clarity is needed rather than treating learning as a separate activity. Students benefit in similar ways. Learning becomes more personal when materials are always accessible. Revisiting difficult sections, reviewing notes, and preparing at one's own pace supports confidence and comprehension. The learning process feels adaptable rather than rigid. Different reading styles find equal support. Some readers prefer steady progression, while others move intuitively between sections. Digital formats accommodate both without judgment. ***Ask And It Is Given Esther And Jerry Hicks*** remains flexible enough to support diverse approaches. Accessibility features further widen participation. Adjustable text size, reading assistance, and

compatibility with support tools ensure that learning remains open to individuals with different needs. These features quietly remove barriers that once limited access. Organization becomes a natural part of learning. Digital libraries grow alongside interests and goals. Files remain searchable, notes preserved, and insights easy to revisit. Learning feels cumulative rather than fragmented. Another subtle change appears in confidence. When readers know they can return at any time, pressure fades. Understanding develops gradually through repetition and reflection. Ideas settle more deeply when they are revisited rather than rushed. Global access adds richness to the experience. Readers from different cultures and backgrounds engage with the same material, often interpreting ideas through different lenses. This shared access broadens perspective and encourages thoughtful comparison. Exploration becomes easier when effort is low. Readers venture beyond familiar subjects, connecting ideas across disciplines. This cross-pollination strengthens creativity and critical thinking, allowing knowledge to grow organically. Long-term engagement becomes possible when resources remain available. Notes saved today support understanding tomorrow. Bookmarks placed months ago still guide attention. Learning stretches across time rather than resetting with each new resource. The role of books subtly shifts. Instead of being consumed once, they remain present. They wait patiently, ready to be reopened when curiosity returns. This availability transforms reading into an ongoing relationship rather than a single event. Digital literacy develops naturally through this interaction. Readers become comfortable managing files, evaluating sources, and navigating information. These skills extend beyond reading, supporting broader academic and professional competence. The appeal of downloading ***Ask And It Is Given Esther And Jerry Hicks*** lies not only in convenience, but in how it supports sustainable learning habits. It aligns with real-life rhythms rather than idealized schedules. Learning becomes

something that adapts to life, not something life must adjust for. As interests change, resources remain flexible. Readers return with new questions, different perspectives, and deeper curiosity. The same text offers new insights depending on context and experience. This adaptability supports lifelong learning. Knowledge does not stagnate when access remains constant. Instead, it grows alongside changing goals, responsibilities, and understanding. Books become quieter companions. They do not demand attention, yet remain available. They offer structure without pressure and depth without rigidity. Over time, these qualities shape mindset. Learning feels approachable. Curiosity feels welcomed. Understanding feels earned rather than forced. Accessing ***Ask And It Is Given Esther And Jerry Hicks*** in this way reflects a broader shift in how people engage with information. It prioritizes continuity over completion, reflection over speed, and curiosity over obligation. Rather than marking an endpoint, each return to the text opens a new entry point. Ideas evolve, questions deepen, and understanding grows gradually. In this space, learning continues without announcement. It moves alongside daily life, responding to moments of interest, quiet reflection, and renewed curiosity. And in that steady presence, knowledge remains not as a destination, but as something that stays close, ready whenever it is needed.
