One of the most important tips is to break your reading into manageable sessions. Long, uninterrupted reading on a screen can strain the eyes and reduce concentration. Instead of reading for several hours at once, divide your time into shorter sessions with regular breaks. This approach helps maintain focus, improves understanding, and prevents mental exhaustion. Using techniques such as the Pomodoro method—reading for 25–30 minutes followed by a short break—can be particularly effective.

Adjusting screen brightness to match ambient lighting further enhances comfort and protects eye health during long reading sessions.

### **Creating a focused reading environment**

A distraction-free environment improves reading efficiency and enjoyment. When reading Cnut Emperor Of The North, try to minimize notifications from messaging apps or social media. Many devices offer “focus mode” or “do not disturb” settings that help maintain concentration. Choosing a quiet, comfortable location with proper lighting also contributes to a better reading experience.
