Below is a simplified example illustrating the typical structure and content of a navy point paper: To: Commander Jane Doe, USN From: Lt. John Smith, USN Subject: Proposal to Upgrade Communication Systems on USS Example Date: October 27, 2023 Purpose: To seek approval for the upgrade of communication systems aboard USS Example to enhance operational security and efficiency. Background: The current communication systems aboard USS Example were installed in 2010 and have become outdated, leading to interoperability issues with newer fleet assets. Recent assessments indicate that upgrading to a modern system will improve communication clarity and security. Discussion: - The existing system is

compatible with legacy equipment but lacks support for newer encryption protocols. - Upgrading will require an investment of approximately \$150,000. - The upgrade will take approximately three weeks, during which the ship's communication capabilities will be temporarily limited. - Alternative options include maintaining the current system or partial upgrades, both of which have drawbacks such as security vulnerabilities or limited improvements. Options/Recommendations: 1. Proceed with full upgrade as proposed. 2. Delay upgrade for six months and reassess. 3. Maintain current system with increased security patches. Recommended: Option 1, to ensure operational security and future readiness. Conclusion: Upgrading the communication system aligns with fleet modernization goals and enhances operational security. The investment is justified by long-term benefits. Action: Approval is requested to proceed with the upgrade plan. Budget allocation and scheduling should be authorized by November 5, 2023.
